How the Program Works:

1. Members choose a participating Chiropractic provider. Visit our website, www.amdps.com and click on the Chiropractic link.
2. Members call to make an appointment with a participating provider.
The member should advise the office that they are a Comprehensive Health Group member when calling for an appointment.
3. Member presents their membership card at their first appointment.
4. Member receives the discounted network price for services.
5. Payment is due at the time of service.

There are no claim forms or waiting periods.
Members may go to the doctor as soon as they'd like upon receiving membership card...
...and go as *often* as needed.
